If you would like to have anyone who has died remembered especially in our prayers during the month of November, please write their name on one of the "Month of the Holy Souls" slips available in the foyer and place it in the purple box at the foot of the altar.

If you would like to make a Mass Offering and have a Mass said especially for the person during this month of the Holy Souls, please use the "Month of the Holy Souls" envelopes also found in the foyer and hand it to the priest or into the parish office, and a Special Mass will be said for that person. **Please DO NOT place any envelope containing your offering in the purple box. The box is for prayer intentions only.**

Sunday Readings

Due to Shine TV recording the Mass this weekend (6th November) for broadcast next Sunday, the readings will be swapped so that the readings for the 33rd Sunday in Ordinary Time will be read November 6th and the readings for the 32nd Sunday in Ordinary Time will be read on November 13th.

Mass Count

A full head count of all adults and children attending Mass in our Church is required by the Diocese of Auckland on all four weekends of November. At the same time as the Offertory collection, you may notice additional people carrying out this head count for us. The Mass count figures are very important for the forward planning of the Diocese and a requirement for the annual Diocesan report to Rome.

SNOW WALTZ by Lindsey Stirling

Only 2 months till Christmas, so time to start preparing and what better way than some very cheerful Christmas music to get us in the mood.

Lindsey Stirling is a highly-acclaimed electronic violinist from Arizona, she is also a dancer, singer and composer. Snow Waltz is her second Christmas album and is comprised of seven classic offerings and six originals. The album is produced by Gladius (James Wong), old parishioner of Our Lady of the Sacred Heart. It's a slightly different tempo to the usual Christmas albums and has a little bit of the Irish. The album can be listened to and downloaded on Spotify/Apple Music/YouTube Music. If you would prefer the CD, Real Groovy has some in store.
